Print

These sheets were designed for A4-sized paper. However, please select "fit to printer area" when printing to ensure nothing will get cut off in the process.

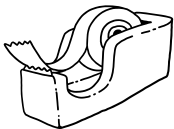

Roll (3 options)

- 1 Roll the dice then color the picture for that many seconds.
- 2 Use tape to cover the numbers on the dice with individual letters or words!
- 3 At the top, write your own instructions and fill in the dice options with whatever you like!
