GUT CHECK

Reading Skills

You, parents, have a 6th sense when it comes to your kids. You're really good at knowing when something just "isn't right" with them. This time, you just don't know how their reading skills are developing and if they're reading at the level they should be.

Well, let's do a little "gut check" to see if your child is reading on target and put your mind at ease!

Who is this for:

- ✓ child is at the end of kindergarten
- ✓ 7+ years old

Instructions

1. Show your child one word at a time. Use another piece of paper or hand to cover up the other words to allow them to focus on just one word at a time.
2. Ask them to read each word out loud the best they can!

Interpreting Results

8+ CORRECT

If your child could read 8 out of the 10 words correctly, they are on the right track to continue progressing their reading skills.

<7 CORRECT

They could use a little support in establishing those foundational reading skills. Email me today and see how I can help

What Now?

8+ CORRECT

Continue to support your child's reading skills by reading together at least 1x per day. Encourage good reading skills like sounding out each letter and pointing to each word to ensure there's NO guessing!

<7 CORRECT

Explicit instruction will help your child grow their reading skills to the level they need. The exact type of exercises needed will depend on each child. So, email me today and let's see how we can best support your little one to becoming a great reader!
